I'm not robot!

"Before coming to the national office Feeding America, I worked at the Regional Food Bank of Oklahoma in Oklahoma City, and we kept a copy of Maddie's Fridge in our lobby! I recommend to many supporters with children - especially those very young to volunteer. What an amazing resource to shine a light on childhood hunger and an appropriate tool to teach empathy to small children. Thank you so much for using your wonderful talents to help raise awareness and end childhood hunger." —Jacklyn Chaney, Development Manager, Feeding America "In his debut book, Brandt addresses an important issue: the hunger of childhood... Vogel's digital illustrations depicting the smiling and wideeyed girls in their city neighborhood are full of warmth and a sense of community. An end note provides suggestions to help friends who have empty refrigerators and directs young readers to a companion site, MaddisFridge.com." — School Library Journal -- This text refers to the paperback edition. Gr 1-3— In his debut book, Brandt addresses an important issue: childhood hunger. Sofia's best friend has no food at home. After taking on the climbing wall in the park, the girls go to Maddi's apartment. A hungry Sofia seeks a snack and it is surprising to find a solitary milk box in the refrigerator. Maddi admits that his mother has not enough money to go to the grocery store and makes Sofia promise to keep him secret. At home, Sofia's mother serves a delicious fish and rice dinner. The refrigerator is full of good to school, but fish and eggs are not good for backpacks. Every afternoon, Sofia tries to follow the Nimble Maddi to the top of the climbing wall, but it is very highShe. Maddi encourages her by lending her a hand, and Sofia finally climbs the wall. Sofia and Maddi race to Maddi's home and Sofia throws open Maddi's fridge to get a snack but... the fridge is bare. In tens of thousands of homes across America, the same would be true. Ashamed, Maddi begs Sofia not to tell anyone. What's Sofia to do when confronted by her best friend being hungry with no food to eat? This is a lovely, engaging, and important book! I love the joyous way the girls play together in the park and the situation of going home for a snack after playtime is so universal that all children will see themselves in the story. Sadly, the chances that some children will see themselves in the story. anything he or she can to avoid the shame of having a friend discover that secret. Sofia's attempt to solve the hunger problem without alerting her own family is hilarious. I love the way Sofia keeps that secret until she realizes that there are some secrets you have to share with a trusted adult, when you know that keeping that secret is doing more harm than good. This book offers a great opportunity for parents, teachers and others who work with children to read the story out loud, discuss it with the children who are hungry to identify themselves to someone who can help them and their family access food. There are so many programs out there but when hunger is kept secret the hungry continue to suffer, in many cases, needlessly. Unlike many "issue" books, the storyline is very realistic, with characters you fall in love with instantly, with illustrations that draw you into the children's lives, their neighborhood, their homes, and most importantly, their story. The funny parts with yucky food hidden in a backpack provide some slightness in what could be a very important book. That's it. that. A starting point for discussion about hunger, charity and talking to an adult when something looks wrong with a little friend. The illustrations are fun and the language is accessible. A perfectly sweet book about a tâpic is a river. While Sofia is the rude corridor, Maddi can climb the rock wall, no problem. What is a problem is when girls are home to Maddi for a snack and find only milk in the refrigerator. Maddi, embarrassed, explains that his mother is not able to afford to buy food and asks Sofia to promise, and every night after dinner, she puts leftovers in her backpack to Maddi. Both girls learn that some foods, such as fish and eggs, do not travel well. Eventually, Sofia realizes that to be a good friend, she must tell an adult to help Maddi and her Famãlia. Illustrations in the style of the cartoons, representing a vibrant and diverse neighborhood of the city, help to soften the raised different questions. The final page includes suggestions on how to help others in need and a link to a site for more information on how to fight hunger. Brandt addresses an important question: the hunger of childhood. Sofia's best friend has no food at home. After facing the climbing wall in the park, the girls vain for Maddi's apartment. A hungry sofia looks for a snack and is surprised to find a lonely milk box in the refrigerator. Maddi admits that her mother is not enough money to go to the supermarket and makes Sofia promise to keep it secret. At home, Sofia's mother serves a delicious dinner of fish and rice. The refrigerator is full of good things to eat, including the favorite treatment of her sister, cheese pizza pumps. ,aled agima a moc eht ni ruomuh dna ytivel htiw tub regnuh dna ytrevop fo seusi suoires eht sesserdda txeTnoitcenno C gnidaeR cebêuQ yb dednemmoce R.seussi tnatropmi eseht dnatsrednu nerdlihc pleh ot slairetam ralucirruc yratnemelppus etaerc lliw noitacudE fo loohcS gaeN eht dna ySU eht ni snoitazinagro dna yseitisrevinu, sloohcs nad "Ani dedulcnI" ".secnereffid esoht fo esuaceb ecaf ecneirepxe na DEASAB .Notito Lufpleh a ot dael yllaniif stpmetta lacimoc reh dna $\hat{a} \in \hat{a} \in \hat{a$ eht because dedulcni sâ€â€¢€Treter ytpme evah steirfâ ... ol-ivuo ed etsog sahlev siam sa§Ãnairc sad airoiam a euq arap etneicifus o setnearta o£Ãs seµÃ§Ãartsuli sa sam ,ocipÃt orvil o euq od otxet moc odasep siam ocuop mu à .)otnematart mu ©Ã sezev s à euq e lev¡Ãduas ©Ã odnemoc o£Ãtse sele euq adimoc a es setion sa sadot ratnaj on atnugrep aifoS(azerbop ad seµÃtseug sa omoc meb ,lev¡Ãduas adimoc erbos o£Ãssucsid iulcni air³Ãtsih ad etraP .samiesolug ed matsog sobma ,eugrap on racnirb ed matsog sobma ,eugrap ed ,)etnematicilpxe of An sonem olep (sas Anairc sad sorvil son etnemetneuqerf a Avo fan a sabma acerbop an etnemacitamotua mavatse euq so etnemacitamotua are of An sonem olep (sas fan a sabma acerbop an etnemacitamotua mavatse euq so etnemacitamotua are of Anairc sad sorvil son etnemacitamotu a aifoS odnaduja iddaM a etnemalelarap ,air³Atsih aob amu met orvil etsE .sa§Anairc sad sorvil son sodadroba ,zev amugla eug ©A es ,etnemarar azerbop a e regnuH ... yrarbiL elttiL el ed ailÃmaf a arap sarpmoc samugla menºÃer sele .sotnuj .e e£Ãm airp³Ãrp aus a zid aifoS .etnemlautneve .saM .oderges me al- ªÃtnam etemorp aigos adimoc rarpmoc arap etnejcifus oriehniD mit met o£Ãn iddaM ed e£Ãm a eugrop aizav esaug ©Ã o£Ãn iddaM ed ariedaleg a eug ahca aifoS odnaug .5102 erfihc ed orvil od aiug od sahneser saD .aizav ¡Ãtse ailÃmaf ad ariedaleg ajuc ,iddaM ogima ues raduja atnet aifoS lauq on ,legoV niV rop .sulli , .aicn¢Ãfni ad emof a artnoc atul e edadisoreneg ed atart es odnauq avitaorp megadroba amu ratoda a sa§Ãnairc sa anisne ariedaleg ad iddaMÅ ¬â ¢Ã AIFOS taht emit tsrif eht tâ€â€âssi ¢€T .tsrif lht Fo pot eht ot ot t t t t t t selbmarc ohw lying down Sâ€â€â€TOT your stat. ;dnuorgyalp eht ot ecar iddaM dna aifoS sdneirF: yrots ehT .klim fo notrac llams ,elgnis eno gnidnif dna dneirf reh fo rotaregirfer eht ot yerof yllufepoh era taht secnatsmucric ot ekilk nilk norhc esopxe nac taht in Lufre Dnew in Tsuj snoitarlili eht dnif llâ€â€âuoy ,skoob erutcip ot laicurc os.esuoh. ¢iddaM htiw etanoser lliw stneduts ym fo emos wonk I .syaw etairporppa dlihc ni smoorssalc nwo ruo fo tsom ni dnuof ytisrevid eht gnissucsid rof dnuorgkcab tcefrep eht srehcaet sevig ÂegdirF s¢iddaM Â.regnuh dna ytrevop dlihc fo seussi suoires eht htw tsum tsum tsum.
