Archetype cards meaning. Archetype cards pdf. Archetype cards a 80-card deck with guidebook. Archetype card deck.

μ cards are a guessing tool that has been used since the middle of the sixteenth century in most parts of European countries. They are different than their typical letters, as they usually contain a pent rather than a picture of a king, and are more often than not, in dark color. Each card is illustrated to provide both light and shadows. This helps you connect with sacred prayers and leads you to gain greater insights into your life. Well, we provide the differences between the two decks in the article. With this in mind, μ cards are generally seen as a tool for self-reflection and warning, rather than saying fortune.
